### **EXAMINER'S AMENDMENT**

An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

In the specification, page 7, line 7, "Fig. 11 is" has been changed to "Figs. 11A and 11B are"; and

In the specification, page 7, line 10, "Fig. 12 is" has been changed to "Figs. 12A and 12B are".

These changes are needed to make the Brief Description Of The Drawings correspond to the drawings themselves. The indicated changes are purely grammatical in nature and do not require consultation with applicant or applicant's representative (MPEP § 1302.04).

### **EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE**

The following is an Examiner's Statement of Reasons for Allowance: The petition to revive this application having been granted (decision mailed February 12, 2004), the amendment dated March 13, 2003, has been entered. All claims previously rejected as unpatentable over the prior art have been canceled. Only claims which were determined to be patentable over the prior art remain. The reasons for patentability are stated on pages 7 and 8 of the previous Office action (paper number 5, mailed September 13, 2002). Further search by the Examiner has uncovered no additional relevant prior art. Claims 22-25 herein are therefore allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
